

RITIKA JAIN

Chartered Accountant

ritzre13@gmail.com | +91-8307789271 | Gurugram, India

PROFESSIONAL SUMMARY

Chartered Accountant with 4+ years of post-qualification experience leading audits and ensuring compliance with PCAOB/AICPA standards across the Asset & Wealth Management industry. Skilled in managing audit teams, executing complex substantive testing, and delivering high-quality financial reporting and regulatory compliance. Proven track record of working with global clients including BlackRock, driving efficiency and accuracy in audit engagements.

PROFESSIONAL EXPERIENCE

Senior Associate

July 2021 – Present

PwC Acceleration Centers | Gurugram

- Led end-to-end audits for public and non-public clients in the Asset & Wealth Management industry, ensuring compliance with PCAOB and AICPA standards.
- Managed audit teams, reviewed work papers, and coordinated with clients and offshore teams to deliver timely, high-quality audit outcomes.
- Executed substantive testing on statements of cash flows and schedules of investments at InHedge, including testing of ASC 815 derivative contracts.
- Analyzed changes in unrealized appreciation/depreciation of financial instruments, performed investment manager report tie-outs, and validated realized gains and losses on derivatives.
- At iShares, executed substantive testing across realized gain/loss, ASC 740 capital gains, affiliates, cross-trade transactions, bank confirmations, and income/expense areas.
- Reviewed financial statements for accuracy and consistency; conducted N-1A testing including Prospectus, SAI, and Additional Disclosures for regulatory compliance.
- Partnered with global clients including BlackRock iShares, Hedge Funds, Private Equity Funds, and Commodities Funds.

Paid Assistant (Articleship)

June 2019 – May 2020

Sanjay Singhal & Associates | Saharanpur

- Prepared and submitted Income Tax Returns and assisted in preparation and filing of GST Returns for clients across varied business domains.
- Conducted inventory audits comprising review of internal controls, physical verification, reconciliation with accounting records, and analysis of inventory ageing and scrutiny of inventory registers.
- Assisted in finalization and closure of books of accounts for multiple clients.
