WORK EXPERIENCE

Campus Ambassador at DUBUZZ

DU BUZZ is a thriving community of over 6,000 students, providing comprehensive and up-to-date information about exams, societies, admissions, and student support at Delhi University.

- By organizing **15+ events annually**, promoting the organization's initiatives to **over 5,000 people**, and providing actionable insights, I enhance my professional development and gain practical experience in marketing, recruitment, and relationship management.
- Promoted the organization's initiatives to a campus community of **10,000+ students**, resulting in a **40% increase** in awareness and membership.

Research Analyst at SK Associates

SK Associates & Group is an ISO certified management consulting firm registered under the MSMED Act with the Government of India.

- Conducted in-depth research on the Indian **automobile sector**, analyzing companies, earnings trends, and policy impacts, while s gaining hands-on experience in **virtual derivatives trading** with a focus on option selling strategies for risk management.

Equity Research Experience and Other Projects (Project Link)

1. Equity Research Project (Eicher Motors)

- Conducted in-depth equity research on Eicher Motors, assessing its financials, business model, studied macroeconomic trends affecting industrial stocks, Built DCF and Comparable Company Analysis (Comps) models to assess Eicher Motors' valuation under different macroeconomic scenarios, industry trends, Con-call Analysis, competitive positioning to derive actionable investment insights.
- Presented Investment thesis and thematic research to faculty and finance professionals, contributing to strategic discussions and generating a **20% improvement in peer engagement** and analytical depth.

2. Simulation Stock Market Study (Finance)

- Managed a virtual investment portfolio for 2 months, achieving an alpha and surpassing the BSE index's return through strategic financial analysis. Compiled and analyzed financial datasets to support investment analysis.
- Continuously monitoring market trends and risk factors to allocate resources among different asset classes.

LEADERSHIP & INITIATIVES
