6XCertified Senior NetSuite Consultant with experience in managing and delivering successful NetSuite projects. Expertise in leading cross-functional teams, providing strategic guidance, and driving process improvements. Seeking a challenging leadership role to leverage my extensive NetSuite knowledge and consulting skills to help organizations optimize their business operations and achieve their growth objectives.

EXPERIENCE

OCT 2023 – TILL DATE

ASSISTANT MANAGER ERP (Oracle NetSuite)

SAHAR ENTERPRISE LLC (AL KABEER GROUP), DUBAI

- Successfully led the implementation of Oracle NetSuite ERP and Sales Force Automation (SFA) application, delivering both projects on time and within budget, ensuring seamless adoption across all business units
- Acting as a liaison between Al Kabeer Group and Oracle, facilitating communication, managing expectations, and advocating for the client's needs during the implementation process
- Leading and overseeing all project phases from requirements gathering to post-implementation support.
- Designed real-time ERP integration enabling instant order posting, van stock updates, payment capture, and automated invoicing, eliminating manual reconciliation delays
- Collaborate with cross-functional teams including IT, finance, operations, and supply chain to define project scope, establish timelines, and ensure alignment with business objectives.
- Provided guidance and mentorship to junior consultants and project team members, ensuring adherence to best practices, efficient project execution, and high-quality deliverables.
- Conducted comprehensive business process analysis to identify inefficiencies and opportunities for improvement within the food manufacturing operations, and translated findings for NetSuite configurations and customizations.
- Data migration efforts to transfer critical business data from legacy systems to NetSuite, ensuring accuracy, integrity, and completeness of data throughout the migration process.
- Developed and delivered comprehensive end-user training programs to educate employees on how to effectively utilize NetSuite functionalities and optimize their day-to-day operations.

Key Achievements:

- ✧ Delivered two major digital transformation initiatives (NetSuite ERP and SFA) streamlining sales, finance, and operational processes across the organization.
- ✧ Awarded the Project Excellence Award 2024 in recognition of successful, high-impact implementation of Oracle NetSuite ERP.
- ✧ Awarded the Project Excellence Award 2025 in recognition of successful, high-impact implementation of Sales Force Automation.
