Summary

Experienced manager with a strong background in information security, risk management, and compliance. Skilled in leading cross-functional teams to implement ISMS and conduct comprehensive security audits, ensuring robust governance and alignment with organizational goals.

Experience

Information Security Manager, *IDFC FIRST Bank*
Apr 2025 – Present

• Spearheaded the development and management of executive dashboards, delivering actionable insights to support strategic decision-making and performance monitoring.
• Ensured accurate and timely maintenance of vendor inventory, optimizing data integrity and operational efficiency.
• Executed vendor reconciliation and classification processes to facilitate compliance and support periodic audits.
• Coordinated vendor onboarding and offboarding activities, adhering to organizational standards and governance protocols.

Assistant Manager, *Grant Thornton*
Jun 2022 – Apr 2025

• Implemented and maintained the Information Security Management System (ISMS), ensuring compliance with industry standards and reducing organizational security risks.
• Conducted comprehensive third-party risk assessments to identify, evaluate, and mitigate potential vulnerabilities.
• Managed vendor risk effectively, safeguarding organizational assets and sensitive data through robust security controls.
• Performed internal audits across multiple organizations to ensure adherence to security policies, regulatory requirements, and best practices.

Consultant, Capgemini
Apr 2021 – Jun 2022

• Led vulnerability assessments and risk management initiatives to identify and mitigate security threats across client environments.
• Conducted internal audits to ensure compliance with regulatory standards and organizational security policies.
• Managed user access controls, enforcing least privilege principles and preventing unauthorized access.
• Executed third-party risk management strategies to safeguard client data and maintain vendor compliance.

Executive, Arya Communications & Electronics Services
Sep 2019 – Apr 2021

• Directed ISMS implementation for internal clients, ensuring compliance with ISO 27001 standards and strengthening organizational security posture.
• Managed user access controls, enforcing security policies and minimizing unauthorized access risks.
• Oversaw third-party risk management processes to identify, assess, and mitigate vendor-related security vulnerabilities.

Information Security Analyst, Atos Syntel
Aug 2016 – Sep 2019

• Conducted ISMS audits aligned with ISO 27001 controls for internal support functions, ensuring compliance and contributing to successful ISO certification and IT governance objectives.
• Performed vulnerability assessments on internal inventory to identify and remediate security gaps, strengthening organizational security posture.
