WORK EXPERIENCE

Assistant manager |EY| S.R. Batliboi & Associates, *Gurugram/India* **Aug'25 - Present**
Audit Executive |EY| S.R. Batliboi & Associates, *Gurugram/ India* **Sep'24 – Aug'25**

Statutory Audit

- Leading the statutory audit of a publicly listed company, ensuring compliance with the Companies Act, 2013, Indian Accounting Standards (Ind AS), and all relevant regulatory requirements.
- Performed consolidation of financial statements in accordance with Ind AS, including elimination entries, intercompany reconciliations, and assessment of subsidiary/joint venture relationships.
- Independently led statutory audit procedures for a subsidiary of a listed company, ensuring compliance with parent-company policies and regulatory requirements.
- Prepared high-quality and well-structured audit working papers in accordance with firm documentation standards.
- Performed Internal control over financial reporting testing to assess the design, implementation, and operating effectiveness of key financial reporting controls.
- Executed detailed revenue testing by validating transactions, reviewing contracts, and reconciling supporting documents to ensure accurate recognition.
- Conducted substantive testing across key financial statement areas including PPE, trade receivables, provisions, and payroll.
- Performed analytical review procedures to identify unusual trends, variances, and potential misstatements requiring further audit attention.
- Assessed compliance with SEBI regulations, Schedule III presentation requirements, and disclosure norms applicable to listed companies.
- Participated in audit planning, including risk assessment, materiality determination, sampling, and development of audit programs.
- Reviewed management estimates (ECL, impairment, provisions, fair valuation) for reasonableness and compliance with Ind AS.
- Ensured accurate financial reporting through verification of cut-off procedures, journal entry testing, and assessment of revenue and expense recognition practices.

Audit Associate | M/S Ashwani & Associates, *Ludhiana/India* ***Mar'22 - Aug'24***

Statutory Audit

- Led statutory audits and limited reviews for large and mid-sized clients, including listed entities.
- Led the audit of a listed e-commerce company, identified key misstatements, and communicated findings to management.
- Oversaw the preparation of standalone and consolidated financial statements, ensuring 99% compliance with Ind AS and regulatory requirements.
- Verified fixed assets and implemented a standardized asset-tagging process, reducing verification time by approximately 20% for a listed client.
- Performed end-to-end inventory valuation for an oil refinery, covering the entire cycle from raw material procurement to finished goods production.

Internal Audit

- Conducting end-to-end audits of the supply chain, assessing the accuracy of inventory records, evaluating the efficiency of distribution processes, and ensuring compliance with FIFO accounting principles.
- Performing the analytical procedures including variance analysis to draw the reasoning in major changes in account balances.
- Conducting a meticulous walkthrough of end-to-end processes, navigating seamlessly from procurement to sales, ensuring a comprehensive understanding of the operational landscape and identifying opportunities for enhanced efficiency and control.
- Implemented verification processes, ensuring a 99% accuracy and completeness rate of financial transactions, enhancing data integrity and reliability.
- Evaluation of selection and appropriateness of accounting policies used, for improving reasonableness of accounting estimates made by the client management.
