Achievements/Tasks

- **Koomoo**: KooMoo is a groundbreaking mental well-being app fostering empathy through real-time mood sharing on a map. Users express emotions and reasons, fostering community support. KooMoo promotes understanding and encouragement, building a network of compassion. https://play.google.com/store/apps/details?id=com.ongraph.koomoo
- **Sudanese Express**:Sudanese Express is the simplest and most convenient app for sending money from Europe to Sudan. With this app, you can effortlessly transfer money to your loved ones in Sudan from any European country, right from your device. https://play.google.com/store/apps/details?id=com.sudanese_moneytransfer.app
- **Fujairah Government :**The Fujairah Government's Department of Human Resources launched the " **Fujairah Government** " smartphone app, offering information on job vacancies, training programs, HR activities, and events. The app also provides agendas, news, and surveys, enhancing public access to HR-related information and services.https://play.google.com/store/apps/details?id=com.fujairahHRtest.timeline.ae&hl=en
- **Zulu Travel :**Take the trip you can't stop sharing! Leverage global travelers' experiences to discover and share hidden gems, attractions, and food spots. Easily add posts to your trip plan with one click and collaborate with friends. Be your best traveler and build your best trip. https://play.google.com/store/apps/details?id=com.zulutravel.app&hl=en
- **Hcab user and drive**r :Efficiently book taxis with a user-friendly app interface. Seamlessly track rides in real-time with precise location updates. Secure payments ensure a hassle-free experience for passengers and drivers alike.

Senior Flutter Developer

Pioneer E Solutions

07/2024 - Present

Achievements/Tasks

- **NDRP (National Digital Recruitment Platform):**The National Digital Recruitment Platform (NDRP) is a centralized online system developed to streamline recruitment for various government examinations. It provides candidates with a single portal for One-Time Registration (OTR), profile creation, exam applications, admit card downloads, and scorecards/result, eliminating the need for multiple registrations across different agencies.
- **SVA (Smart Verification App)** : Smart Verification App makes candidate verification easier by capturing the candidate's live photo at the exam center, along with photos of the OMR sheet and other documents.
