Work Experience

Nov 2017 - Present

Assistant Manager Accounts and Finance

Touras India Private Limited

• Successfully prepared and submitted daily banking reports, ensuring accuracy, completeness, and timely delivery.
• Effectively managed daily banking operations, including bank reconciliations, to maintain accurate financial records.
• Conducted regular ledger scrutiny and account analysis to ensure accuracy, detect discrepancies, and maintain clean books of accounts.
• Prepared and analyzed Aging Reports to monitor outstanding receivables and payables, ensuring timely follow-up and resolution.
• Prepared and filed monthly GST returns (GSTR-1 and GSTR-3B), ensuring compliance with statutory requirements and promptly addressing GST-related notices.
• Prepared and submitted quarterly TDS returns, maintaining strict adherence to statutory compliance and deadlines.
• Verified monthly payroll files, including TDS, PF, PT, MWLF, and employee attendance, ensuring accuracy in salary calculations.
• Oversaw timely and accurate statutory payments for GST, TDS, PF, PT, ESIC, and WLF compliance obligations.

• Processed vendor and compliance payments efficiently through NEFT, RTGS, and Fund Transfer modes in line with company policies.
• Created and managed Demand Drafts (DDs) and Bank Guarantees (BGs) in accordance with company policies and client requirements.
• Maintained comprehensive documentation and verification records for all DD and BG transactions, ensuring compliance with financial and risk management regulations.
• Handled Foreign Inward and Outward Remittances, ensuring precise and timely processing of international transactions.
• Prepared and maintained monthly Invoicing MIS reports, ensuring timely and accurate reporting.
• Generated client invoices using invoicing software, ensuring compliance with internal guidelines.
• Managed the monthly payroll process, ensuring accuracy in salary, bonus, and deduction calculations.
• Coordinated with HR and Finance teams to verify attendance, overtime, and payroll-related information.
• Coordinated internal and external audits, preparing documentation, addressing audit queries, and ensuring smooth audit completion.
• Provided full support for external audits related to DD, GT, ENY, and other financial reviews.

Oct 2016 - Oct 2017

Accountant

Bhavesh Shah

Efficiently managed daily banking operations, including bank work, bank reconciliation, contractor bill verification, and processing contractor and vendor payments.
• Designed and implemented systematic procedures for preparing and maintaining reconciliation statements and financial statements.
• Oversaw operational expenditures and controls, ensuring timely statutory payments and vendor settlements.
• Coordinated with debtors and vendors, reviewing billings, vendor reconciliations, invoices, agreements, and legal documents to ensure accuracy and timely payment processing.
• Managed the processing of freight manifests, ensuring correctness and compliance with internal standards.
• Prepared accurate and reliable MIS reports, including monthly revenue statements and timely fund transfers from line accounts/statutory accounts.
• Involved in the preparation of financial statements, tax audit reports, and cash flow statements, ensuring compliance and accuracy.
• Assessed profitability of business units by reviewing revenue and expenditure and evaluating internal control systems to identify gaps and recommend improvements.
• Monitored funds flow and cash flow, ensuring optimal utilization of available funds to support organizational objectives.
