Profile Summery:
3+ years of experience as a Flutter Developer with strong expertise in **cross-platform mobile development**, **state management**, **clean architecture** and **RESTful API integration**. Skilled in building high-performance mobile applications using **Flutter (Dart)** , with hands-on experience in **Firebase**, **responsive UI design**, **local storage** and optimizing app performance through efficient code and clean architecture. Strong focus on writing clean, maintainable, and testable code. **Experienced in deploying apps** to both **Android Play Store** and **iOS App Store**. Dedicated to building **scalable**, **reliable** and **user-centric** mobile solutions that ensure **smooth functionality** and **seamless user experiences** across devices.

EXPERIENCE

Software Engineer

Kellton Tech Solutions Ltd

Aug 2022 - Present Phase-3, Gurugram

Shoppers Stop :: `Team-Size:25`
Tech Stack :: Flutter, Firebase, GitHub, Figma, WebEngage

- SSCom: Built and optimized the main Shoppers Stop ecommerce app for fashion, beauty and lifestyle.
- SSBeauty: Developed a dedicated app for beauty shoppers with personalized skincare routines and elegant UI/UX.
- Implemented personalized recommendations, dynamic listings, and video-driven engagement features
- Integrated secure payment flows, real-time push notifications, and cross-platform loyalty systems.
- Improved app stability by optimizing API handling, reducing unnecessary rebuilds, and integrating efficient caching across multiple high-traffic modules.

Pacific Mall Loyalty App:: `Team-Size:6`
Tech Stack :: Flutter, Firebase, GitHub, Figma

- Built a dynamic Flutter-based loyalty app, enabling cross-platform access (iOS/Android) to exclusive benefits, personalized deals, and rewards.
- Developed an OCR-powered bill scanning feature, allowing users to upload receipts and earn reward points.
- Designed and implemented modern, responsive UI/UX for dynamic brand browsing, offer tracking and real-time event notifications, boosting user engagement.
- Integrated secure REST APIs for real-time sync of reward points, voucher status, and tier-based membership tracking.
- Implemented Firebase Analytics and Remote Config to enhance personalized campaign targeting and significantly boost user engagement.

Optima:: `Team-Size:40`
Tech Stack :: Flutter, GitHub, Figma

- Developed and optimized mobile applications using Flutter to streamline operational workflows and enable real-time data acquisition across multiple Oil and Gas projects like *Optima Oxy*, *Optima HP* and *Optima Sawafi*
- Contributed to the development of a module by implementing equipment tracking and global dashboard, resulting in enhanced operational efficiency and improved remote monitoring for Oil India's wellheads.
- Integrated secure and scalable REST APIs to enhance mobile application development and data flow.
- Enabled offline data storage and synchronization for smooth, uninterrupted workflows across operations.

Sasai Fintech:: `Team-Size:15`
Tech Stack :: Flutter, GitHub, Figma

- Integrated social features like articles and stories, driving user retention and app engagement.
- Built and optimized real-time chat functionalities to enhance user interaction and engagement in the platform.
- Designed and implemented intuitive UI/UX components for stories, KYC, and onboarding, improving user experience.
- Collaborated with developers and designers to create responsive payment and chat modules, enhancing user experience.

SKILLS

- **Flutter**
- **Dart**
- **Android**
- **IOS**
- **Git/GitHub**
- **Java**
- **Kotlin**
- **Firebase**
- **HTML/CSS**
- **Visual Studio Code**
- **Android Studio**
- **Xcode**
- **Data Structures**
- **Jira**
- **Linux**
- **Figma**
- **AWS**

EDUCATION

Bachelor of Engineering in Information Technology

Shri Shankaracharya Inst. of Prof. Mngt and Technology.

Aug 2018 – July 2022 Raipur, Chhattisgarh

CERTIFICATION

- Microsoft Copilot Certificate
- Flutter and Dart- The Complete Guide [2024 Edition]
- Android App Development
- Delivery Training at Kellton Tech
- Effective Speaking: Master Public Speaking and Presentation Skills

LANGUAGES

- **English**
- **Hindi**
