PROFILE

Creative Web Designer with experience in UI/UX design and front-end development. Worked as a freelance teacher from December 2024 to March 2025, strengthening communication and presentation skills. Gained hands-on industry experience through an internship from April to August 2025. Currently working as a Trainee Web Developer at Wildnet Technologies, designing responsive, user-friendly websites with a strong focus on visual design, usability, and modern web standards.
