Professional Experience

BSR & Co. LLP, Mumbai - Senior Executive (Nov 25 – Present)

Client Assignment: Mahindra Steel Service Centre Limited

- Participated in **RAPD meetings and audit planning discussions**, gaining an understanding of the client's business processes, Key risk areas, and internal control framework related to procurement, payroll processing, and expense management.
- Assisted in **determining overall materiality and performance materiality** for the audit engagement based on relevant financial benchmarks, supporting the audit planning process and ensuring that audit procedures were designed in line with the **materiality thresholds and risk assessment**.
- Assisted in the **statutory audit of a listed entity** as part of a Big 4 engagement team, primarily covering key business cycles including **Procure-to-Pay (P2P), Payroll, and Employee Expenses**.
- Performed **Walkthrough (WT) procedures** for P2P, Payroll, and Expenses cycles to document end-to-end process flow, identify key controls, and evaluate the **design and implementation of internal controls**.
- Executed **Test of Controls (TOC)** over critical controls within the P2P and payroll processes, including approval controls, segregation of duties, and system-based validations to assess their operating effectiveness.
- Conducted **Test of Details (TOD)** by verifying supporting documentation such as vendor invoices, purchase orders, payroll records, and employee expense claims to validate the **accuracy, completeness, and authorization of transactions**.
- Prepared and maintained **audit documentation and working papers** in accordance with firm methodology and auditing standards, while coordinating with client teams to obtain required schedules, reconciliations, and supporting evidence.
- Performed **external confirmation procedures** as part of substantive audit testing by preparing and sending balance confirmations to third parties (such as vendors and other stakeholders), tracking responses, performing follow-ups for non-responses, and carrying out **alternative audit procedures** to validate the completeness and accuracy of reported balances.
- Performed **Planning Analytical Review (AR)** by analyzing key financial statement line items and ratios, comparing current year figures with prior periods and budgets to identify **unusual fluctuations and potential risk areas**, supporting the audit team in focusing on significant accounts during the planning phase.

Articlership Experience (2020-2023)

V M A S & Company, Chartered Accountants
(Article Assistant)

Audit and Assurance

- Assisted in **statutory audit engagements** across multiple industries including hospitality, real estate, pharmaceuticals , manufacturing, and banking, ensuring compliance with applicable accounting and auditing standards.
