Profile Summary

- HR & People Leader with 10+ years of experience across NwN India, Times OOH, and TCS, driving business-aligned HR strategy, workforce planning, and organizational effectiveness.
- Proven expertise in end-to-end employee lifecycle management including talent acquisition, onboarding, learning & development, performance management, compensation reviews, and exits.
- Strong background in PAN-India recruitment and workforce scaling, including campus hiring from Tier 1 & Tier 2 institutions and delivery of 100+ consultant hires within a year.
- Hands-on experience in HR transformation and change management, leading successful implementation of HRMS (Keka) and expense management systems (Zaggle) to improve process efficiency and cost control.
- Led annual and mid-year performance appraisal cycles and compensation review processes, ensuring pay equity, internal parity, and market competitiveness across business units.
- Trusted advisor on employee relations, grievance management, workplace conduct, rewards & recognition, and HR policy governance across multi-location teams.
- Demonstrated capability in employee engagement, retention, and culture initiatives, supported by data-driven insights and leadership reporting.
- Experienced people manager with a track record of leading and scaling recruitment teams (12+ members) and delivering high-impact HR projects including sales incentive design, diversity and attrition analysis, and employee connect surveys.

Academic Details

Qualification	Institution
PGDM – Human Resource Management	Management Development Institute, Gurgaon
B.Tech – Computer Science & Engineering	Shri Mata Vaishno Devi University, J & K
Class XII	Central Academy Sr. Sec. School, Bharatpur (Rajasthan Board)
Class X	Central Academy Sr. Sec. School, Bharatpur (Rajasthan Board)

Notable Accomplishments

- **Campus Hiring & Recruitment:** Designed and scaled flagship campus hiring programs (Times BLAZE, EILP, GILP) across Tier 1 & Tier 2 B-schools, strengthening early-career talent pipelines and delivering a ~30% reduction in time-to-hire through structured hiring processes and workflow optimization.
- **HR Transformation:** Led end-to-end HR tech transformation—needs analysis, vendor evaluation, negotiations, and implementation of Keka (HRMS) and Zaggle (Expense Management)—driving higher data accuracy and faster cycle times. Successfully led multi-location employee engagement initiatives, driving improved morale and retention
- **HR Operations & Governance:** Standardized onboarding, performance cycles, and employee grievance mechanisms across multiple locations, improving audit readiness, reducing process deviations, and enabling consistent employee experience at scale.

Core Competencies

- HR Shared Service Delivery
- Performance Management
- Training & Development
- Talent Acquisition & Management
- HR Strategic Planning
- Employee Engagement
- Onboarding & Induction
- Leadership/Succession Planning
- Rewards & Recognitions

Organization Experience

Sept'23 – Till Date
D Marketing Pro, NOIDA
Role: HR Business Partner

- Built and executed the people strategy for a fast-growing digital marketing startup, scaling teams across performance marketing, content, tech, and client servicing while supporting business growth.
- Owned end-to-end talent acquisition, reducing average time-to-hire by ~30% and improving offer-to-join ratio through sharper role design and data-led sourcing.
- Designed HR governance from ground up—policies, payroll, compliance, HRIS, and workforce planning—bringing process maturity and cost discipline to a scaling organization.
- Drove measurable gains in employee engagement and retention by launching performance-linked rewards, manager capability interventions, and structured feedback cycles.
- Managed HR budgets and compensation frameworks, aligning rewards with performance metrics and revenue growth while maintaining cost efficiency in a startup environment.

Jul'21 – April'23
NwN India, Gurugram Role:
HR Business Partner

- Led PAN-India talent acquisition for political consulting programs, hiring high-impact consultants and associates across multiple states while managing and scaling a 12-member recruitment team.
- Built and executed structured hiring pipelines for EILP & GILP programs, driving campus hiring from Tier 1 & Tier 2 institutions and ensuring consistent quality-to-scale outcomes.
- Owned end-to-end onboarding and induction for GILP Associates, enabling faster role readiness and smoother assimilation into field-intensive assignments.
- Spearheaded HR technology transformation—led needs analysis, vendor evaluation, negotiations, and implementation of Keka (HRMS) and Zaggle (Expense Management), improving data accuracy and process turnaround.
- Designed and maintained organization-wide dashboards for workforce analytics, leadership reporting, and compliance, enabling data-backed decision-making in a dynamic operating environment.
- Drove performance management through a 360-degree feedback framework, strengthening leadership accountability and improving role clarity across consulting cohorts.

Sep'20 to Jul'21
3EA, Lucknow
Role: Domain Partner

- Led feasibility studies and business planning for SME and startup clients, influencing go-to-market and hiring strategies.
- Managed a cross-functional team of 5 and owned recruitment, HR setup, and business development for 4 client organizations.
- Built knowledge frameworks and drove campus outreach and employer branding to strengthen early-talent pipelines.

Jun'18 to Jun'20
A&A Business Consulting (AABC), Ludhiana Role:
Consultant – HR (VCEO)

- Led core HR operations across functions, including rightsizing, compensation structuring, manpower planning, recruitment, performance appraisals, L&D, and grievance redressal.
- Partnered with leadership on culture, productivity, and talent decisions using HR metrics, dashboards, and workforce trend analysis.
- Owned end-to-end employee lifecycle management across business verticals—hiring, onboarding, performance management, employee relations, and exits—ensuring consistency and compliance.
- Standardized HR policies, SOPs, and documentation frameworks to strengthen governance, audit readiness, and employee experience.
- Coordinated payroll operations and statutory compliance (PF, ESIC, Shops & Establishments) with vendors, ensuring accuracy and timely execution.

May'16 to Jun'18
Times OOH, The Times of India Group, Noida Role:
Manager – Human Resources

- Led end-to-end campus recruitment (Times BLAZE) at premier B-schools for summer and management trainees; designed structured induction framework and onboarding playbooks.
- Benchmarked competitor sales incentive plans and designed performance-linked incentives for revenue teams, improving motivation and alignment with growth goals.
- Owned organization-wide performance management and rewards cycles—monthly, quarterly, annual R&R and mid-year/annual appraisals.
- Reviewed and upgraded HR policies, induction, and training architecture, deploying TNI-based quarterly and annual learning calendars.
- Designed and executed a multi-location employee engagement agenda (Connect–Celebrate–Develop), strengthening culture and participation across teams.
