Deepalli Mehttaa

Head – Operations Centre of Excellence & Digital Initiatives

(**Mob No:** 9820805757, **email:** dipali_215@hotmail.com, dipali2105@gmail.com)

Career Objective

To lead transformative process improvement, automation, and digital innovation initiatives in a dynamic organization while continuously enhancing skills to achieve organizational excellence.

Professional Summary

Results-driven leader with 14+ years of experience in the BFSI sector, specializing in Digital Transformation, Operations Excellence, Process Re-engineering, and Automation. Proven expertise in delivering complex projects, stakeholder management, system implementation, and team leadership. Adept at driving cross-functional initiatives, leveraging agile methodologies, and ensuring regulatory compliance

Key Responsibilities

- **Process Improvement & Innovation:**
  - Identified and implemented opportunities for process simplification, technical enhancement, and centralization to drive operational efficiency.
  - Collaborated with cross-functional teams (Credit, Sales, Collections, Marketing, Customer Care, Legal) to re-engineer end-to-end business processes through innovation and automation.
- **Project & Stakeholder Management:**
  - Evaluated and defined project scopes in alignment with business stakeholders, managing changes throughout the project lifecycle.
  - Partnered with Product Management, PMO, Sales, Vendors, and Customer teams to prioritize and deliver business requirements.
- **Solution Design & Development:**
  - Worked closely with IT teams to design solutions, including wireframes, field mapping, and system integration planning.
  - Conducted unit testing, integration testing, and led user acceptance testing (UAT) to ensure successful implementation of systems and processes.
- **Execution & Monitoring:**
  - Monitored project milestones, coordinated UAT with users, and ensured timely project execution and delivery.
  - Managed system defect tracking and worked with IT to ensure permanent resolution.
- **Training & Change Management:**
  - Facilitated training for functional users and process owners on new initiatives and business processes.
- **Vendor Management:**
  - Evaluated and onboarded outsourcing partners, managing the setup of outsourced processes.
- **Collections & Payment Channel Development:**
  - Introduced new digital payment and collection channels in collaboration with banks and payment gateways (e.g., BillDesk, Razorpay, NPCI).
- **System & Platform Expertise:**
  - Led automation and agile projects using platforms like TCS LOS, LENTRA LOS, SAP ECC, SAP CRM, SAP LAM, TRM, and FISERV.

    - Delivered projects related to Customer QRC Management, Onboarding, and Servicing.
- **Compliance & Governance:**
    - Supported implementation of RBI audit recommendations and regulatory guidelines.
    - Participated in Tata Business Excellence Management (TBEM) Assessments as a core member.
- **Reporting & Analytics:**
    - Managed centralized MIS operations, branch scoring parameters, and prepared business performance reports.
    - Scheduled and delivered management reporting based on dynamic business needs.
- **Learning & Development:**
    - Proactively drove learning and development initiatives focused on operational functional processes.

Professional Experience

1) **Tata Capital | Thane, Maharashtra**
   AVP – Head of Operations Centre of Excellence & Digital Initiatives | *May 2025 – Present*

   Tata Motors Finance Ltd Merged with Tata Capital in May2025
