DEVESH SHARMA

Cloud Security Analyst | +91 6392683988 | Gurugram, India

deveshsharma6392@gmail.com | https://in.linkedin.com/in/devesh-sharma-63a8b41a1

SUMMARY

Cloud Security Analyst with 4.5 years of experience in **SOC operations, cloud security, and cyber defense**. Skilled in **SIEM, log management, firewalls, and Microsoft security tools (Sentinel, 365 Defender, Azure)**. Proven expertise in **threat hunting, incident response, and regulatory compliance**, with strong knowledge of **MITRE ATTACK, Cyber Kill Chain, Email security solutions and cloud security frameworks**. Recognized for **enhancing global client security postures** through proactive monitoring and automation.

TECHNICAL SKILLS

*** Azure Sentinel**	*** Cloud Security**	*** SOC (Security Operations Center)**
*** Azure Log Analytics**	*** DLP (Data Loss Prevention)**	*** Azure Active Directory**
*** Kusto Query Language (KQL)**	*** Email Security**	*** SIEM (Security Information & Event Manager)**
*** Microsoft 365 Security**	*** MDE/MDI/MDC/MDCA**	*** EDR (Endpoint Detection and Response)**
*** Defender for Office 365**	*** Building Logic Apps**	*** Incident/Change Investigation and Management**
*** SOAR**	*** Network Security**	*** Threat Intel/Hunting & Event Correlation**

PROFESSIONAL EXPERIENCE

Security Delivery Analyst **Oct 2021 - Present**

Accenture **Gurugram, Haryana**

4.5 years of experience managing end-to-end SOC operations and cloud security services for multiple global clients, ensuring effective monitoring, detection, and response to evolving threats. Proven ability to strengthen security postures through incident response, threat hunting, and automation across diverse cloud environments.

PROJECT DETAILS

PROJECT 1: Managing Security Services (MSS)

- Designed and developed **security alerts and automated responses**, collaborating with the Incident/Change Management team.
- Hands-on expertise with **Microsoft Sentinel SIEM** and **Microsoft 365 Defender tools (MDE, MDI, O365 Defender, MCAS)**, including **DLP implementation**.
- Configured **log sources and data connectors** in Sentinel, developed **KQL-based detection rules** aligned with the **MITRE ATTACK framework**.
- Managed **phishing and malware incidents** within SLA, executing remediation actions and ensuring **regulatory compliance**.
- Conducted **incident triage, log analysis and email analysis** to strengthen threat detection capabilities.
- Implemented **performance improvements** by fine-tuning configurations, adding log sources, developing playbooks, and troubleshooting SIEM issues.
- Prepared **weekly/monthly reports** & engaged with Threat Hunting teams to enhance client security posture.

- Strong knowledge of **cybersecurity trends, malware analysis, incident response, and MITRE ATTACK** tactics.

PROJECT 2: Lloyd of London

- Hands-on experience with **SOC tools (SIEM, Microsoft Defender, Antivirus, Sentinel)** to monitor, detect, and respond to security incidents effectively.
- Proactively managed **email security solutions (Proofpoint)** to safeguard against phishing and advanced email threats.
- Conducted **in-depth threat intelligence investigations** to analyse and mitigate emerging threats.
- Supported **Varonis DLP solutions**, ensuring data protection and compliance with **organizational policies.**
- Configured and optimized **Microsoft Sentinel SIEM** for log management, event correlation, and advanced threat detection.
- Integrated and customized **workflows** to automate incident response, improving efficiency and reducing manual intervention.
- Collaborated with cross-functional teams to align incident response with **best practices**, while contributing to investigations and developing **use cases in Sentinel and Defender** for proactive threat identification.

EDUCATION

B.Tech (Computer Sci. & Engineering) **2017 – 2021**
Dr A. P. J. Abdul Kalam Technical University, Lucknow 83.3%

Class – 12 **05/2017**
Green Field Academy, Uttar Pradesh 72.67%

Class – 10 **05/2015**
Green Field Academy, Uttar Pradesh 93.10%

CERTIFICATIONS

- Security, Compliance & Identity Fundamentals **(SC-900)**
- Security Operation **Analyst**
- Tech Expressway- **Techgenics**
- Azure Fundamentals **(AZ-900)**
- Google Chronicle **SIEM & SOAR**

AWARDS & ACHIEVEMENTS

- Received Accenture Celebrate Excellence (ACE) Award for key star valued member.
- Top performer (Rating 5) in recent years at Accenture.
- Received Growth Catalyst Award for top-Quality Achievers from Client.
- Managed more than 200 Highly Suspicious incidents & Cases, achieving a 95% resolution rate within SLA parameters.
- Enhanced security posture for five global clients, reducing vulnerabilities by 40% within six months.
