Results-driven and analytical Management Professional with a PGDM in Operations and Supply Chain Management and hands-on experience in project planning, stakeholder coordination, risk mitigation, and strategic sourcing, with a proven record of driving cost savings, efficiency improvements, and on-time project execution. Seeking a Project Management role where I can apply my leadership, data-driven decision-making, and cross-functional collaboration skills to deliver high-impact business outcomes.

EDUCATION:

PGDM - Operations & Supply Chain Management - ITM Business School, Kharghar - 2024
B.E. - Mechanical Engineering - JSPM Narhe Technical Campus, Pune - 2019
Diploma - Mechanical Engineering - Mandar Education Society, Chiplun - 2016
SSC - Sacred Heart Convent High School, Ratnagiri - 2013

PROFESSIONAL EXPERIENCE:

HITECH RADIATORS PVT LTD, Management Trainee (Purchase) | May 2024 - May 2025

- **Planned and executed procurement for 7+ infrastructure and automation projects** (Fin line upgrade, PLC panel installation, Argon gas mixture upgradation, machinery expansion) worth **4 crore+**, ensuring **100% on-time completion.**
- **Implemented RACI matrices** across cross-functional teams, clarifying responsibilities and improving task ownership, resulting in a **25% reduction** in communication delays and faster **project execution.**
- Coordinated with **7+ internal departments** and **100+ suppliers** to align sourcing schedules with project milestones, improving **on-time material delivery (OTD) by 85%.**
- **Procured and managed supply** of key raw materials including CRCA, HRCA, Zinc, Wood, Paint, Pipes, and Structural Steel to ensure uninterrupted production and **on-time project delivery.**
- Efficiently managed and **controlled 90% of total purchase cost** attributed to raw materials, ensuring **cost-effective project execution.**
- Negotiated contracts and **signed MOUs** with key suppliers (JSW, POSCO, AMNS, TATA Steel, Jindal, Hindustan Zinc, GWP, AKZO, Sherwin Williams, Goodluck India, etc.), achieving **25% cost savings** and improving supplier lead times by **10%.**
- Developed and maintained **3-month rolling procurement plans**, **reducing material shortages by 30%** and project delays
- Implemented **risk mitigation strategies** (alternate sourcing, performance monitoring) to cut material disruption **incidents by 30%.**
- Managed the **end-to-end P2P cycle** (vendor onboarding to payment), achieving **98% invoice accuracy** and ensuring full compliance with company policies.
- Onboarded **20+ new suppliers**, expanding the vendor base by **10%** and ensuring long-term project supply stability.
- Designed and tracked **10+ procurement KPIs** through dashboards, enhancing supplier evaluation accuracy and reducing purchase cycle time by **20%.**
- Made **outsourcing plans,** conducted **price comparisons**, and finalized vendor orders according to project material requirements.
- Monitored and **optimized inventory levels,** maintaining in-house stock balance and eliminating excess inventory or stock-out situations.

VISHWAKARMA ENGINEERING – Production Planning Engineer | Sept 2019 - March 2022

- Managed and executed **20+ production** and **process improvement projects**, achieving a **20% increase** in operational efficiency through **automation** and **workflow optimization**.
- Planned and **scheduled** daily production activities to ensure **optimal utilization** of machines, manpower, and materials, contributing to a **15% improvement** in throughput.
- **Supervised a 10-member team** and optimized manpower allocation, **achieving zero downtime** across critical production lines.
- **Reduced production cycle time by 15%** through **process mapping, Lean methodologies, and workflow redesign.**
- **Led 5S and Lean implementation** across the plant, reducing material wastage by **12%** and improving overall equipment effectiveness **(OEE) by 10%.**
- Improved **on-time delivery from 80% to 95%** by integrating procurement, stores, and quality teams into unified project planning cycles.

- Collaborated with design and project teams to execute **custom client orders worth 5 crore+**, ensuring **100% compliance** with technical specifications and **project deadlines**.
- **Managed ITSM processes** for incident, service request, and change management**, improving system response time by 25%** and minimizing production impact.
- **Reduced ERP downtime by 20%** through proactive maintenance scheduling, database optimization, and effective vendor coordination.
- **Developed and maintained ITSM documentation**, workflows, and training materials for production and support teams, ensuring standardized operations and **faster issue resolution**.
- Ensured accurate documentation of production data **for internal audits and ISO compliance**, maintaining 100% audit readiness.
- Prepared and presented weekly project progress and **KPI reports** to senior management, enabling **data-driven decision-making** and improved **resource planning.**
- Handled team scheduling, workload distribution, and conflict resolution, **maintaining high team efficiency and consistent project performance.**

INTERNSHIP EXPERIENCE:

ALIMENTO AGRO FOODS PVT LTD - Purchase Intern | Apr 2023 - Sept 2023

- Supported procurement execution for multiple product **line expansion projects**, managing **1 crore+** worth of materials and ensuring **timely delivery** aligned with **production schedules.**
- **Onboarded 30+ new suppliers**, achieving **20% cost savings** and maintaining **100% adherence to quality standards.**
- Analysed commodity market trends to **forecast pricing fluctuations** and optimize purchasing decisions.
- Developed **supplier performance metric**s that improved **on-time delivery by 25%, reduced material rejection rates by 20%**, enhancing vendor reliability, and reducing procurement risks.
- Collaborated **cross-functionally** with production and quality teams to align **material planning** with **project timelines**, reducing **delays by 15%.**
- Prepared project-wise **procurement reports and cost analyses**, enabling **data-driven decision-making** and improving **budget accuracy by 25%.**

CERTIFICATION AND TECHNICAL SKILLS:

- **Project Management for Supply Chain Professional Certificate** by CSCMP and PMI
- **Scrum Fundamentals Certified** (SFC) by SCRUM study
- **Lean Six Sigma Green Belt**
- **Advanced MS Office Suit**, Power BI, ERP & MIS Tools
- AutoCAD, CATIA, CREO, SolidWorks
- **Agile, Waterfall**
- Google Project Management Certification (In Progress)

ADDITIONAL INFORMATION:

- Executed Tree Library and E-Herbarium projects under IWSA NGO, Vashi - 2023
- Led a team and achieved 1st Rank in Marketing Mela organised at ITM Business School, Kharghar - 2022
- Winner - Tug of War competition at ITM Business School - 2022
- Runner-up in district-level football and technical paper presentation competitions - 2015

CORE COMPETENCIES:

- **Project Management and Execution**
  Project Lifecycle Management, Project Planning and Scheduling (Gantt, CPM), Agile Scrum and Waterfall Methodologies, Implementing RACI Matrices, Risk Assessment and Mitigation, KPI Tracking.
- **Strategic Sourcing and Procurement**
  Vendor Management, Negotiation, Material Planning, Budgeting, Forecasting, ISO Compliance, Inventory Management and Optimization, OTD (On-Time Delivery), Supplier Relations.
- **Stakeholder and Team Management**
  Cross functional Team Leadership, Stakeholder Coordination, Change Management and Conflict Resolution, Communication, Relationship Management.
- **Supply Chain and Logistics**
  Production Planning and Control (PPC), Supply Chain Optimization, Supply Chain Risk Management, Analytics (Excel, Power BI), Lean Six Sigma and 5S.
