STATEMENT OF PURPOSE

To pursue a challenging role in **Asset & Wealth Management or Investment Research** within a growth-oriented organization where I can leverage my experience in **portfolio advisory, capital markets, and client relationship management** to deliver value for clients and the firm. I aim to contribute through **data-driven insights, strategic asset allocation, and disciplined financial analysis**, while continuously strengthening my expertise in global markets, investment strategies, and portfolio management.

CAREER SUMMARY

Dynamic Asset & **Wealth Management professional with 8+ years of experience** managing **UHNI, Family Office, and Corporate Treasury portfolios** across India. Expertise in **portfolio construction, asset allocation, investment advisory, FP&A, and financial modelling**, with a strong focus on **risk-adjusted returns and long-term capital preservation**. Proven ability to **analyze market dynamics, identify investment opportunities, and deliver actionable insights** across equities, fixed income, and mutual fund products. Successfully managed **multi-crore client portfolios**, enhanced reporting and analytics through **automation and data-driven dashboards**, and partnered with cross-functional teams to drive **strategic initiatives and business growth**.

PROFESSIONAL EXPERIENCE

ALPHA ALTERNATIVES - DOMESTIC CAPITAL RAISING GROUP — OCT 2025 – Present, Bengaluru

- Lead **capital raising initiatives** across institutional investors, family offices (Hurun), UHNI clients, and corporate treasuries.
- Develop and maintain a **strong investor pipeline**. Conduct **investor meetings, roadshows, and fund presentations**.
- Drive **fund subscriptions and commitments** across alternative investment products (Equity & Commodities MLDs, AIFs, PMS, Hedge Funds, Private Equity, Structured Credit, Real Estate, Infrastructure, Structured Gold & Silver, Offshore funds).
- Convert **complex market dynamics** into clear, actionable insights, **enabling clients to make informed decisions** during market dislocations, interest-rate movements, and structural asset-class shifts.
- **Build and sustain long-term client relationships** through a consultative, trust-driven approach, driving higher retention and wallet share by consistently delivering value beyond absolute returns.
- Interpret **macro trends and market dynamics**. Provide **risk-adjusted portfolio recommendations.**

ICICI BANK - CHIEF MANAGER, PRIVATE BANKING — JAN 2022 – SEP 2025, Bengaluru

- **Managed a ₹350 Cr investment portfolio** across **75 Ultra-High Net Worth (UHNI) families**, delivering **40% YoY AUM growth** through strategic asset allocation, tailored financial planning, and proactive client relationship management. Portfolio allocation included **60% equities and 15% Portfolio Management Services (PMS)** investments.
- **Performed in-depth portfolio analytics and financial planning**, developing customized **asset allocation strategies** across equities, fixed income, PMS, and alternative investments aligned with client risk appetite, liquidity requirements, and long-term wealth objectives.
- **Automated financial reporting and portfolio analytics** using **SQL, Power BI, and advanced Excel**, reducing manual reporting time by **6 hours per week**, improving reporting accuracy, and enabling faster **data-driven investment decisions**.
- **Collaborated with cross-functional teams including research, product, advisory, and risk teams** to identify emerging **market opportunities, portfolio risks, and strategic investment themes**, delivering high-impact investment recommendations to clients.
- **Owned the full client acquisition and sales lifecycle**, including **client sourcing, onboarding, financial advisory, and product execution**, coordinating with operations, credit, compliance, and risk teams to ensure seamless transaction execution.
- **Led forecasting, demand planning, and cost optimization initiatives** across internal business segments, aligning financial projections with evolving **market conditions, client demand, and regional growth strategies**. Delivered **budget variance analysis, financial KPIs, and forecasting insights** to senior leadership.
- **Developed interactive dashboards and financial performance reports** using **Power BI**, enhancing visibility of portfolio performance, revenue drivers, and operational metrics across senior management and investment teams.
- **Led and mentored junior team members**, driving operational efficiency, improving productivity, and fostering a **high-performance culture focused on client engagement, accountability, and revenue growth**.
- **Advised UHNI clients on forex and working capital solutions**, supporting cross-border transactions including **FDI, ODI, trade finance**, and evaluating creditworthiness to structure financing solutions - **OD, CC, EPC, LC, & Bank Guarantees**.
