OBJECTIVE

To undertake jobs that provide adequate mental challenge in the field of international corporate business utilizing my skill sets to provide best solution to my clients and my organization.

PROFESSIONAL SUMMARY

I set my working standards as high as possible and have worked in a dedicated style to achieve them. I believe in delivering quality work consistently within the time frame set. My communication is considered to be exceptionally good by others. I have 20 years of work experience, consultative sales style, strong negotiation skills and problem-solving abilities.

I have always motivated my team members and colleagues and consider myself a key team player. I am a keen learner and believe in creating an atmosphere whereby odds can be overcome with right direction and leadership coupled with technical skills.
