PROFILE SUMMARY

Dedicated and creative UI/UX designer with 2.6 years of experience crafting intuitive and visually appealing digital experiences. Adept at translating user requirements into seamless and engaging designs. Seeking an opportunity to contribute my skills and passion for user-centric design in a dynamic and collaborative environment.

WORK EXPERIENCE

Appz Global Tech Pvt. Ltd. (Noida) 2024(January) -Present

UI/UX Drsigner

- Lead the design process for 20+ projects (Website and Mobile App) from concept to delivery, ensuring a user-centred approach and adherence to design principles.
- Collaborated with cross-functional teams, including developers and product managers, to gather requirements and refine design solutions.
- Conducted user research, usability testing, and gathered feedback to iterate and enhance the user experience.
- Developed wireframes, prototypes, and high-fidelity mockups using tools such as Sketch, Figma, or Adobe XD.
- Stayed current with industry trends and emerging design tools, contributing to the continuous improvement of design processes.

360 Digitel Idea (Dwarka) 2023 (Jan - June)

Graphic Designer

- Create visual concepts and designs for various projects, including marketing materials, social media graphics, and website layouts.
- Collaborate with team members to develop and execute design solutions that meet client objectives.
- Prepare final artwork for print and digital distribution, ensuring accuracy and adherence to brand guidelines.
- Maintain an organised file management system for easy access to design assets.
- Stay updated on industry trends and design software updates to continuously improve skills and techniques.
