Qualified Chartered Accountant with experience in **corporate finance**, **treasury management**, **debt syndication**, **financial modeling**, **audit, taxation**, **credit analysis** and **regulatory compliance**. Skilled in end-to-end debt **fundraising**, lender negotiations, due diligence, covenant monitoring, cash flow forecasting, DCF valuation, three-statement modeling, budgeting, variance analysis, and ERP-based reporting. Strong background in **bank audits, credit risk review**, **GST and direct tax compliance**, internal controls, and **financial analysis**, with demonstrated ability to deliver measurable business outcomes in **listed company** and **CA firm environments**.

WORK EXPERIENCE

GM Finance — December 2025 - Present

Knowledge Marine & Engineering Works Limited (Listed Entity), Mumbai

- Led end-to-end execution of **debt fundraising** mandates exceeding INR **270** crore, including structuring, **lender negotiations**, due diligence, and documentation.
- Secured over INR 160 crore in funding from leading financial institutions:
  Yes Bank for INR **70** crore term loan and INR 35 crore BG.
  Aditya Birla Capital for INR 35 crore term loan and INR 20 crore Working Capital Demand Loan.
- Successfully raised INR **110** crore from **public sector undertakings** and nationalized banks.
- Built advanced financial models, including **DCF valuation**, three-statement models, **sensitivity analysis**, and **cash flow forecasting**, to support investment decisions and **capital allocation**.
- Prepared investor **pitch decks** and collaborated with **merchant bankers**, **foreign institutional investors**, and **high-net-worth individuals**, enhancing transparency and contributing to investor confidence for capital raising initiatives.
- Performed **budget** planning, **cost analysis**, and **profitability assessment** across cost centres and MIS reporting.
- Performed **ratio analysis** on historical data to benchmark results against **industry standards**, and supported finalization of books and budgeting.
- Prepared financial data and reports for monitoring by **credit rating** agencies.
- Directed ERP implementation, improving reporting accuracy and reducing turnaround time, while strengthening **capital budgeting**, **forecasting, variance analysis, and treasury management**.
- Successfully managed **treasury operations** by optimizing surplus fund deployment and reducing **opportunity costs** through strategic investments in **risk-free assets**, while coordinating with **Big 6 global** audit firms on strategic **growth initiatives**..

Key Impact:

- Reduced borrowing costs by **50-60 basis points** and optimized cash collateral from **35**% to **15**%.
- Eliminated **promoter personal guarantees**, strengthening corporate financial independence.
- Aligned **financial covenants** with business performance and growth objectives.

Internship — August 2022 - October 2025

R.B. Sharma & Co. (A firm with 13+ partners and 30+ years of experience serving thousands of clients)

Audit & Assurance

- Executed statutory central bank audits for high-value nationalized and cooperative bank branches with **credit exposure** of INR **900-1,200** crore, evaluating **asset quality**, identifying **credit risks**, and strengthening regulatory compliance frameworks.
- Conducted quarterly **concurrent audits** for a cooperative bank and **statutory audits** for various large and small entities with turnovers ranging from **400-700** crore, across manufacturing, trading, and service industries.
- Audited government clients in the banking, finance and insurance sectors and executed monthly and year-end **stock audits** for multiple manufacturing entities.
- Conducted internal audits for entities with turnover exceeding **INR 500 crore**, including trusts and LLPs, and identified control gaps in **material consumption** amounting to INR **25 lakh**.

Direct Taxation

- Prepared and filed 40+ statutory forms, including Income Tax Returns, TDS, SFT returns, Tax Audit and compliance.
- **Interpreted** tax laws to provide advisory on direct taxation matters.

Indirect Taxation

- Prepared and filed GST returns, including GSTR-1, GSTR-3B, GSTR-6, GSTR-9, GSTR-9C, GSTR-10, and managed **annual GST reconciliation**.
- Handled GST litigation matters up to the **Joint Commissioner** level, including **handling notices, assessment**s, and representing cases in hearings.
- Executed internal GST audits for companies with turnovers exceeding INR **8,000** crore.

Other Services

- Prepared professional tax returns and completed documentation for government subsidies like the **PSI Scheme**.
- Contributed to the firm's thought leadership by developing **20+** presentations for **"Karneeti",** providing financial insights and assisting with seminar audits.

Key Achievements:

- Achieved **15**% reduction in tax liability and drove cost savings of INR **7 million**.
- Strengthened the internal control framework for a nationalized bank by identifying critical failures via a **Risk Control Matrix**; presented findings to senior management.
