## PROFESSIONAL SUMARRY :

Service & Instrumentation Engineer with 6+ years of hands-on experience in medical oxygen generation systems, instrumentation, electronics troubleshooting, preventive & breakdown maintenance. Strong exposure to PLC panels, sensors, transmitters, analyzers, control systems, and field instrumentation. Proven ability to handle critical healthcare equipment, ensure uptime, follow ISO & safety standards, and deliver high customer satisfaction.

## CORE SKILLS :

- Travelled Pan India for equipment installation, upgrades, troubleshooting and efficiency improvement.
- Installation, Commissioning & Preventive Maintenance
- Breakdown Troubleshooting (Electronics & Instrumentation)
- Medical Oxygen Plants (PSA systems)
- Sensors, Transmitters, Analyzers & Control Panels
- PLC Panels & Electrical Drawings
- Calibration & Testing of Instruments
- Documentation of Service Reports.
- Customer Handling & Technical Support

## PROFESSIONAL EXPERIENCE:

**SENIOR SERVICE ENGINEER**
**Company Name: AM OZONICS Pvt. Ltd.**
**Duration: Jan 2023 – Present (2 Years)**

- Led installation, commissioning, and servicing of medical oxygen plants at hospitals and industrial sites.
- Handled critical breakdowns independently, ensuring minimum downtime.
- Supervised junior engineers and guided them on troubleshooting techniques.
- Performed preventive maintenance schedules, calibration, and system optimization.
- Coordinated with customers and internal teams for smooth service execution.

**SERVICE ENGINEER**
**Company Name: AM OZONICS Pvt. Ltd.**
**Duration: Dec 2019 to Dec 2023 (4 Years)**

- Installed and commissioned medical oxygen generation systems and related instrumentation.
- Worked o pressure, flow, oxygen purity analyzers, sensors, valves, and control panels.

- Diagnosed and rectified electrical & electronic faults in field instruments.
- Prepared service reports, logs, and preventive maintenance checklists.
- Ensured compliance with hospital safety and quality standards.

## SKILLS:

- Positive behavior
- Customer orientation
- Able to work under pressure
- MSOFFICE

**MANAGEMENTSKILL:**

- Team leading and getting work done
- Capacity planning and asset management
- Planning and tracking

## EDUCATIONALQUALIFICATION:

- **NAMEOFCOURSE** : SSC
  **BOARD** : Maharashtra state board of India
  **GRADE** : 76.18% (2012)

- **NAMEOFCOURSE** : HSC
  **BOARD** : Maharashtra state board of India
  **GRADE** : 68.77% (2014)

- **NAMEOFCOURSE** : B.E in electronics engineering
  **BOARD** : Mumbai University
  **CGPI** : 7.32 (2019)

## EXTRACURRICULARACTIVITIES:

- Elements Of Mechanical Engineering:(V2)
- Active member of IETE committee of college
- Certification in C Programming Language
- Certification in Embedded System and Hardware

## DECLARATION:

I here by declare that all information provided by me is true to the best of my knowledge and belief.
