CAREER TIMELINE

WORK EXPERIENCE

SunSource Energy Pvt. Ltd., Noida | HR Business Partner | July 2020 – Present

- **Talent Acquisition & Pipeline Excellence:** Built proactive talent pipelines using market intelligence, executive networking, campus programs, and data-driven recruitment models, improving diversity, cost efficiency, and time-to-hire.
- **Strategic Workforce & Talent Partnering:** Drove workforce planning, HR budgeting, senior leadership hiring (up to VP level), and succession planning to align talent strategy with business growth, scalability, and leadership continuity.
- **Performance, Capability & Leadership Development:** Led enterprise PMS, conducted organization-wide TNA, and designed integrated L&D frameworks to strengthen leadership bench strength, capability building, and employee engagement.
- **HR Operations, Governance & Analytics:** Institutionalized recruitment dashboards, governed payroll and statutory compliance, and embedded analytics-driven decision-making to enhance workforce effectiveness and business outcomes.

Tata Projects Limited, Noida | People Management | Aug 2018 – July 2020

- **Onboarding, Learning & Capability Building**: Designed structured onboarding programs (Buddy Program, 30-60-90 Day Plan), drove TNI, and co-created annual technical and behavioral learning calendars, tracking effectiveness through data-driven assessments.
- **Engagement, Leadership & Culture:** Enabled leadership connect forums, **Skip-levels, Coffee with Leaders** and **masterclasses series** while building engagement calendars and recognition frameworks to foster collaboration, trust, and a high-performance culture.
- **Performance Management (PMS):** Led end-to-end Performance Management System cycles including goal alignment, mid-year and annual reviews, calibration support, and manager enablement to drive differentiated performance and merit outcomes.

BGC Company Limited, Delhi | Manager – Human Resources | Feb 2018 – Aug 2018

- **Strategic Talent Acquisition & Workforce Planning**: Led end-to-end talent acquisition aligned with workforce plans and evolving business priorities.
- **Policy Development & HR Analytics**: Formulated and institutionalized HR policies, dashboards, organizational structures & manpower analytics.

Isolux Corsán India Engineering & Construction Pvt. Ltd., Gurgaon | HR Generalist | Apr 2011 – Jan 2018

- **Talent Acquisition, HR Operations & Compliance Excellence**: Led complete recruitment process, HR operations spanning structured onboarding, payroll, compliance, and employee lifecycle management, consistently meeting TAT and accuracy standards.
- **Employee Engagement, Retention & Attrition Management:** Strengthened employee engagement and retention by launching leadership connect forums, driving employee listening mechanisms (exit interviews, feedback loops), and applying attrition analytics to improve transparency, trust, and workforce stability.

CEC International Corporation (India) Pvt. Ltd., Gurgaon | Executive – Human Resources | Feb 2008 – Mar 2011

- **End-to-End Recruitment Lifecycle Management**: Managed the complete recruitment lifecycle, achieving timely closures and high-quality hiring outcomes.
- **Hiring Manager Collaboration & Requirement Translation**: Partnered with hiring managers to translate manpower requirements into precise role specifications and coordinated interview and evaluation processes.

KEY HIGHLIGHTS

- Reduced average **time-to-hire by 25%** by re-engineering business process, implementing structured interviews, and strengthening talent pipelines.
- Closed **20+ middle & senior positions annually**, including leadership roles up to VP level, while maintaining a **quality-of-hire score of 80%**.
- Achieved **30% reduction in recruitment costs** by optimizing vendor usage and increasing internal sourcing and referrals.
- Built succession-ready talent pools for **critical roles**, minimizing leadership dependency risks and ensuring business continuity.
- Led digitization of **HR processes**, improving process efficiency and reducing manual intervention.
- Designed HR dashboards covering **TA, PMS, and workforce metrics**, enabling leadership to make data-driven people decisions.
- Designed and rolled out **10+ L&D programs** (technical & behavioral), covering more than **75% of the workforce**.
- **Improved post-training effectiveness scores** through structured feedback, assessments, and program optimization.
- Successfully managed PMS cycles for **250+ employees annually**, ensuring timely goal setting, reviews, and normalization.
- Managed payroll and F&F settlements for **250+ employees/month**, ensuring **100% statutory compliance** and **zero audit escalations**.
- Supported leadership in identifying **high-potential talent (HiPos)** for **critical roles**, contributing to internal mobility and career progression.
