Portfolio: pateldipanshu.github.io

Career Objective :

Motivated Frontend Developer skilled in React.js, JavaScript (ES6+), with a focus on creating seamless user experiences. With strong problem-solving and collaboration skills, aiming to contribute to innovative web projects in a dynamic environment. I aim to grow in a progressive organization that values innovation, excellence, and teamwork.

Skills:

Libraries/Frameworks: React.JS, Bootstrap.

Database: MS SQL Server.

Frontend: JavaScript (ES6+), HTML5, CSS3.

Tools: Git, GitHub, Visual Studio Code.

Projects.

Weather App.

- A dynamic React-based application that fetches real-time weather data using the OpenWeatherMap API.
- A responsive UI with city-based search, displaying temperature, humidity, and weather conditions.
- **Live URL** : https://pateldipanshu.github.io/weather-app

Ducat India Clone.

- Developed a responsive website UI using React.js, leveraging reusable components and React Router for smooth navigation.
- Managed state and props for data flow, ensuring efficient interaction between components.
- Optimized performance and styling using CSS and Bootstrap for a clean, mobile-first design.

AIRBNB CLONE (College Group Project).

- This project developed using MERN Stack & Bootstrap, HTML5 and CSS3**.**
- This project aims to recreate the core functionality of the popular accommodation rental platform, allowing users to browse listings for accommodations such as houses, apartment & rooms. I involved as a frontend developer in this project.

News Blog.

- Developed a dynamic news blog using React.js, incorporating CRUD operations to manage and update news content effectively.
- Integrated APIs to fetch and manage data dynamically, providing up-to-date news content.

Education.

- **B. Tech in Computer Science |** Maharaja Agrasen College of Engineering and Technology, Amroha, (AKTU Lucknow). (2020 – 2024) | CGPA – 7.5
- **XII (UP Board)** | Govt. Jubilee Inter College, Lucknow. (2019 – 2020) | Marks – 60.1%
- **X (UP Board)** | Smt. R. D. T. D Inter College Raebareli. (2017 – 2018) | Marks – 72.3%

Certifications & Training.

React.js Training | (Ducat India Pvt. Ltd., July 2024 – December 2024)

- Covered key concepts like React components, hooks, state management, and API integration.

JavaScript Certification (Jun 2024)

- Verified by (KG - Coding) real-time coding tests, focusing on ES6+ concepts and problem-solving.

Achievements.

- Completed JavaScript certification with practical coding tests.
