EDUCATION

Indian Institute of Technology (IIT) Delhi 2018 - 2022

Bachelor of Technology in Civil Engineering; CGPA: 7.60

WORK EXPERIENCE

EXL SERVICE, Gurgaon

Consultant II, Analytics (Jan 2024 – Present) | ***Consultant I, Analytics*** (Jun 2022 – Dec 2023)

Project 1 (MMM Capability Evolution): *Marketing Mix Modeling (MMM) Transition and Output Optimization*

- Led the seamless transition to a new **MMM** vendor, building automated data pipelines to feed the model and output pipelines to consolidate results in BigQuery, replacing **65%** of manual flat-file inputs and reducing data processing time by **80%**
- Developed dynamic MMM output dashboards and performance scorecards to translate model findings into actionable insights, enabling optimized media allocation, improved forecasting, and data-backed strategic planning across business units
- Collaborated with cross-functional teams to enhance model accuracy, refine response curves, and implement a unified measurement framework for ongoing tracking, benchmarking, and optimization of media performance enterprise-wide

Project 2 (Media Measurement Evolution): *Expanding Media Valuation Beyond NSR (RMI Introduction)*

- Designed and implemented the **Return on Marketing Investment (RMI)** framework to measure long-term media effectiveness through incremental revenue, new customer value, and repeat purchase behavior, providing a holistic view of marketing impact
- Integrated RMI into marketing dashboards and reports, establishing a scalable monthly update process that enabled forward-looking performance tracking, data-driven budget allocation, and greater transparency in media impact assessment

Project 3 (Data Engineering & Automation): *ETL Pipelines, Reporting Optimization, and Dashboard Modernization*

- Designed and deployed end-to-end automated **ETL pipelines** using SQL, AWS S3, Airflow, Funnel.io, and GitLab (CI/CD), processing multi-source marketing and customer data with improved accuracy and on-time availability for business reporting
- Optimized **Tableau dashboards** and SQL queries by restructuring data models and logic flows, cutting data refresh time by **75%** and code size by **77%**, improving report accuracy and diagnostic depth for marketing performance tracking
- Revamped **customer analytics dashboards** through cross-market standardization and automated data refresh, enhancing visualization consistency and usability, resulting in a **25%** rise in adoption and faster insight delivery across regions
- Transformed **Brand Health reporting** by replacing static third-party presentations with an interactive, multi-view dashboard that streamlined marketing reviews, reduced ad-hoc requests, and enhanced utilization in MMM analyses

*Received **The Genius Award twice (H1 2024 & Q2 2025)** for exceptional stakeholder management, cross-team coordination, and leading client projects with ownership and timely delivery*

CONNEKT HOMES (Hospitality), Mumbai May 2021 – Jul 2021

Summer Intern – Business Analyst (Analytics, Research, and Strategy)

- Analyzed historical financial, sales, and operational data using advanced Excel to uncover key performance trends, optimize pricing and occupancy strategies, and generate investor-ready insights showcased in the company's funding pitch deck
- Conducted market and competitor research to evaluate growth potential across customer segments, pricing, and geographies; collaborated with the CEO & strategy team to recommend data-driven initiatives for scaling and improving profitability

*Received a **Letter of Recommendation** from the CEO for impactful contributions, impeccable work, and strong analyzing abilities*

SKILLS

Technical: SQL, Python, pandas, BigQuery, PySpark, Airflow, AWS S3, GCP, Git, CI/CD, Tableau, Funnel.io, JIRA, Confluence
Non-Technical: Project Leadership, Stakeholder Management, Cross-Functional Collaboration, Creative Problem-Solving

EXTRA-CURRICULAR ACTIVITIES

- **General Secretary**, Civil Engineering Forum, IIT Delhi (Jul 2021 – Jun 2022): Led a 3-tier team of 40+ students from 13 hostels, managing non-academic affairs of 800+ affiliates across 7 subdivisions including Corporate Relations and Design
- **Activity Head**, Rendezvous'19 & Tryst'20 – IIT Delhi: Led outreach and sponsorship initiatives across 30+ colleges, managing 35+ campus ambassadors and overseeing end-to-end planning and execution of events
- **Volunteer**, Office of Career Services, IIT Delhi (Aug 2019 – Mar 2020): Facilitated placement and training drives for 2000+ students, coordinating interview logistics, recruiter communications, and scheduling tests
- **Volunteer**, NSS IIT Delhi: Collaborated with the National Association for Blind (NAB) to teach essential life skills for visually impaired individuals, while also engaging in old-age home visits to provide companionship and encourage community bonding
