PROFESSIONAL EXPERIENCE

AMERICAN EXPRESS | Senior Data Analyst **|** US Consumer Marketing [Apr'25-Present]

GROWTH STRATEGY & INVESTMENT ANALYTICS

- Own acquisition analytics supporting **870M+ marketing investment**, translating performance trends into budgeting decisions.
- Evaluated post-offer spend behaviour to measure **incremental ROI and long-term LTV impact** across products and channels.
- Built cohort frameworks to assess acquisition quality, early spend velocity, and retention trends across customer segments.
- Designed incrementality and test-and-learn analyses to optimize channel allocation and offer efficiency.

DATA PLATFORMS & DECISION SYSTEMS

- Built scalable growth reporting infrastructure standardizing acquisition KPIs across teams.
- Migrated legacy **Python ETL** to **GCP BigQuery**, reducing inefficiencies, manual coding, and **latency from 6 hours to 5 minutes**.
- Automated GCP-to-PowerBI pipelines enabling near real-time performance reporting & standardized KPI tracking across teams.
- Implemented monitoring frameworks & metric governance standards to detect acquisition anomalies & improve accuracy.

AMERICAN EXPRESS | Digital Product Analyst **|** Enterprise Digital and Data Solutions (EDDS) [July'22-Mar'25]

Was awarded Star Performer of the Quarter for executing search-driven growth strategies, increased acquisition traffic by 12%.

GROWTH & ACQUISITION ANALYTICS

- Uncovered **12M+ business** opportunity via conversion funnel analysis on prospect-driven article pages; managed deployment with Tech and Market teams to deploy targeted banners, resulting in **2x projected acquisition growth** after launch**.**
- Systematized analytics engine for 300K+ keyword portfolio, reducing manual effort by 95% and enabling algorithmic bidding strategies that **unlocked 100M+ revenue**.
- Executed **A/B test** by pausing paid search for 'Cobalt' credit card queries to track paid search traffic shift to natural search.
- Investigated JP Priority Pass page post-optimization performance, delivering search insights that improved **page ranking by 40%.**

SEARCH, ATTRIBUTION & PERFORMANCE PLATFORMS

- Co-Created an SEO performance tracker with **15+ metrics** across **50K+ Amex web** pages, enabling real-time page monitoring.
- Engineered traffic classification logic to track 100M+ visits across marketing channels, enhancing spend and marketing strategy.
- Developed performance **forecasting model** integrating financial data; benchmarked through **ARIMA & time series** techniques.
- Presented **50M+ business** search opportunities through data and delivered 40+ ad hoc analyses to drive traffic and acquisition.

SILVERNOX TECH VENTURES |Data Science Intern [May'20-Jun'20]

*Received **Letter of Recommendation** from the founder & CEO; Research Lab for AI/Deep Tech applications in insurance claims.*

- Annotated **4.5K+** car damage images across 10+ categories, training an ML model for automated insurance claim review.
- Boosted ML model accuracy by **17%**, enabling mechanized damage analysis & **21%** reduction in claim assessment costs.

RESEARCH EXPERIENCE

PHYSICS-INFORMED NEURAL NETWORKS FOR MULTIPHASE HEAT TRANSFER |Master's Thesis-IIT Bombay [May'21- Jun'22]

- Constructed a physics-informed neural network model in Python (**TensorFlow, Scikit-Learn**) to simulate and predict complex heat transfer patterns, improving computational efficiency and accuracy over traditional methods.
- Enhanced the model to handle **phase transitions** & enable faster and more reliable scenario testing for industrial problems.

LEADERSHIP ROLES| IIT BOMBAY

- Institute Athletics Secretary, IIT Bombay (Apr'20 – Apr'21) – Led a 22-member council, managed an **INR 1.5M+** budget, and spearheaded IIT Bombay's first virtual run along with the **FIT India Cyclothon** event, driving strong student engagement.
- Department Student Mentor (May'20 - Apr'21) - Guided 8 students with academic and professional decisions; helped an underperforming student **increase their** GPA.

EXTRACURRICULARS

Accolades	▪ Recipient of KVPY Fellowship (AIR 12, Govt. of India) – Ranked top 0.1% of 200K+ national research scholars. ▪ Institute Sports Color (for excellence in track and field Kho-Kho and leadership).
Sports	▪ **Back-to-back gold** medalist in Kho-Kho as Team Captain at Udghosh (IIT Kanpur Sports Fest). ▪ 4th place in Inter IIT 4x400m relay running event; completed the IITB Half Marathon on first attempt.
Social	▪ Taught 30+ underprivileged children; designed shelters for salt-pan workers; volunteered for **COVID-19** relief.

EDUCATION

INDIAN INSTITUTE OF TECHNOLOGY BOMBAY | *Mumbai* [Jul'17-Jun'22]

- 5-year integrated program: Bachelor's & Master's degree in Mechanical Engineering, specializing in CIM with a **CPI of 8.72.**

TECHNICAL SKILLS

Business Intelligence	Adobe Analytics, Tableau, Power BI
Data & Programming	SQL, Hive, Python, PySpark, Hadoop
Other	Machine Learning, Data Structures and Algorithms, MS Office
