Priyanshu Mishra

Frontend Developer | Crafting Responsive, SEO-Friendly Websites

North West Delhi | priyanshu3316@gmail.com | +91 88021 26780 | Portfolio | LinkedIn | Github

Summary

Associate Frontend Developer with **2 years of hands-on experience** in building performant, **SEO-friendly** websites for clients. Expertise in **HTML5, CSS3, JavaScript (ES6+), Bootstrap, and WordPress.**

Proven ability to drive results, including **reducing bounce rate by 20%** and **improving page speed scores by 25%** through dedicated UI/UX and asset optimization.

Experience

Frontend Developer, Technoiconic — July 2024 – Present

- Architected and customized 5+ responsive, high-traffic WordPress platforms; focused on **semantic HTML5 and core web vitals (Lighthouse)**, resulting in an average **15% lift in client SEO rankings.**
- Collaborated effectively with design and backend teams to ensure **seamless deployment and feature delivery** across the production environment.

Web Designer Intern, Info Web Software — Nov 2023 – June 2024

- Designed and built **responsive, SEO-optimized websites** from scratch using HTML, CSS, JavaScript & Bootstrap.
- **Drove page speed performance improvements of 25%** by implementing best practices, including asset minification, optimized image compression, and passing **Google Lighthouse audits**.
- **Owned the full deployment lifecycle**, managing domain setup, **cPanel hosting, and maintenance** to ensure 100% project uptime.

Projects

Personal Portfolio (React & Component Architecture) — Live Link

- Developed a robust, responsive SPA (Single Page Application) using **React.js, functional components, and Hooks;** implemented **React Router DOM** for dynamic routing and demonstrated clean, modular component architecture.
- Built UI workflows using React.js **Hooks and Routing**; managed **deployment via GitHub Pages**.

Hub Tech (E-commerce UI Prototype) — Live Link

- Built a **prototype e-commerce site** with product listing and cart features.
- **Achieved a 40% reduction in page load time** by applying performance optimization techniques and resolving critical Google Lighthouse warnings.

Currency Converter Web App — Live Link

- Developed a **real-time currency converter** using Fetch API with live exchange rates.
- Ensured **100% mobile responsiveness** and seamless user interaction.

Education

Indira Gandhi National Open University, Bachelor of Computer Applications — June 2023 – June 2026

Kendriya Vidyalaya Sangathan, Senior Secondary (CBSE) — Apr 2010 – Apr 2022
