PROFILE

A results-driven Quality Manager and Technical Officer with extensive experience in laboratory operations, quality assurance, and regulatory compliance. Proven expertise in implementing and maintaining ISO/IEC 17025:2017 Laboratory Management Systems while ensuring analytical precision, reliability, and adherence to global quality standards. Adept at supporting regulatory submissions, technical documentation, and fostering continuous improvement to uphold scientific integrity and operational excellence.

KEY COMPETENCIES

- ISO/IEC 17025:2017 Implementation & Compliance
- SAP S/4 HANA — Regulatory Documentation & Hazard Classification
- Analytical Instrumentation: UV-Vis, FTIR, DSC, TGA, ED-XRF, Karl Fischer, Dissolution, LOD
- Technical Document Preparation: MSDS, PSS, RoHS, REACH, SVHC, Food Compliance & Shelf-life Certificates
- Regulatory Compliance: SVHC, Conflict Minerals, RoHS, California Proposition 65
- Laboratory Quality Systems: GMP, SOP, Calibration & Validation

PROFESSIONAL EXPERIENCE

Rajiv Plastics Private Limited **March 2023 - Present**
Technical Officer/Quality Manager

- Implemented and maintained ISO/IEC 17025:2017 Laboratory Management System, ensuring compliance with international testing standards.
- Prepared and issued MSDS, Product Safety Statements, RoHS-REACH-SVHC declarations, food compliance certificates, and shelf-life certificates.
- Developed hazard communication documents for global markets, ensuring adherence to regulatory requirements.
- Managed SAP S/4 HANA for product hazard classification, SDS generation, and hazard labeling.
- Facilitated 3TG compliance declarations and raw material acknowledgment letters for customer submissions.
- Oversaw regulatory compliance for SVHC, Conflict Minerals, RoHS, and California Proposition 65 for substances and mixtures including pigments, polymers, catalysts, and additives.
- Conducted instrumental analysis to support R&D, deformulation and equivalent product development of Polymer Compounds and Masterbatches for various applications - Polymer Films, Flexibles, Solids etc

Paralab Private Limited **Jan 2021 - Mar 2023**
Quality Chemist

- Performed qualitative and quantitative analysis of raw materials, in-process, and finished products.
- Operated FTIR and UV-Vis Spectrophotometer for routine and investigative sample testing.
- Conducted instrument calibration and maintenance in compliance with SOPs and GMP guidelines.
- Maintained accurate calibration records and generated reports in line with FDA regulations and internal standards.

Bee Pharmo Labs Private Limited **Jan 2020 - Oct 2020**
Quality Chemist

- Performed qualitative and quantitative testing on raw materials, intermediates, and finished products.
- Operated FTIR, UV-Vis, Karl Fischer Titrator, Dissolution Tester, and LOD apparatus.
- Ensured regular instrument calibration and compliance with GMP and SOPs.

EDUCATION & CERTIFICATIONS

Master of Science (M.Sc.), InOrganic Chemistry
Thakur College of Science and Commerce
2017-2019

Bachelor of Science (B.Sc.), Chemistry
Thakur College of Science and Commerce
2014-2017

Higher Secondary Certificate (H.S.C.), Science
NMF College of Commerce and Science
2012-2014

Senior School Certificate (S.S.C.)
St. Francis High School
2011-2012

CERTIFICATIONS

Uncertainty of Measurement and Decision Rule as per ISO/IEC 17025:2017
Quality Council of India
Jun 2025

Energy Dispersive Spectrometer EDX-7200 - Routine Maintenance, Calibration and Safety Precautions Training
Shimadzu Analytical (India)
Jan 2025

LMS as per ISO/IEC 17025:2017 & Internal Auditing
Indian Rubber Manufacturers Research Association
Oct 2023

PERSONAL DETAILS

- **Languages :** English, Hindi, Marathi
- **Martial Status :** Single
- **Date of Birth :** 26th September 1995
