Objective

To build a career in manufacturing and operations where I can learn, grow, and contribute to achieving production excellence through teamwork, discipline, and a focus on quality.

Summary

- Results-driven professional with over 1 year of hands-on experience in CNH Business System (CBS) initiatives at CNH Industrial. Skilled in driving process optimization, lean manufacturing, cost reduction, and quality improvement through data-driven problem solving. Experienced in implementing Kaizen, 5S, Value Stream Mapping (VSM), Standard Work, and KPI tracking across manufacturing operations. Adept at collaborating cross-functionally to enhance productivity, eliminate waste, and sustain an operational excellence culture.

Experience

- **CNH Industrial** 05-Sept-2024 - 05-Oct-2025
  GAT
  - Supported the deployment of Lean and CBS tools across manufacturing operations to improve process efficiency and reduce non-value-added activities.
  - Conducted Kaizen workshops focused on improving throughput, reducing rework, and enhancing workplace organization through 5S principles.
  - Assisted in VSM studies to identify bottlenecks and developed improvement action plans in collaboration with production teams.
  - Collected and analyzed KPI data (Productivity, downtime, rejection,rework, material loss, etc.). To monitor improvement project effectiveness.
  - Led mini projects on cost-saving and process optimization, resulting in measurable improvements in cycle time and material usage.
  - Coordinated with cross-functional teams (Production, Maintenance, and Quality) to implement standard work and visual management systems.
  - Participated in audit preparation and continuous improvement reviews as part of the CBS deployment roadmap.
  - Supported digital transformation and data-driven dashboards for monitoring performance and improvement initiatives

Achievements

- Improved process efficiency by ~12% through layout and workflow optimization.

  Enhanced data presentation and reporting, reducing manual report time by 30%.

  Recognized for cross-functional collaboration and analytical contribution in CBS reviews.

Education

Course / Degree	School / University	Grade / Score	Year
Institute of technology and management, Gwalior	B.tech -Mechanical Engineering	7.4	2024
Ebenezer Hr sec school , Gwalior	12th - PCM	76	2020
Kid Z Public school	10th	71	2018

Skills

- Lean Tools: 5S , Kaizen, VSM , Poka -Yoke , RCPS
- Six Sigma
- Cross Functional Collaboration
- Process Audit
- MS office
- Problem Solving
- GD&T , Solidworks,AutoCAD

Co Curricular Activities

-
  - Ranked first in PBL project from Institute (Jan 2024)
  - BEC B level certification from Cambridge University (JUL 2023)

Personal Information

-
  - DOB - 07/Feb/2002
  - Gender - Male
  - Marital status - Single
  - Languages - English, Hindi
