OMESH KADAM

Navi Mumbai, IN | +91 9867634243 | omeshvkadam@gmail.com

SUMMARY

Experienced SOC Analyst with 4 years in incident response, and security monitoring. Skilled in security incident handling and developing mitigation strategies. Proficient in analyzing security alerts and optimizing detection capabilities. Committed to continuous improvement and staying updated with the latest cybersecurity trends.

EDUCATION

Post Graduate Diploma in Management | Information Technology | 2019-2021 | GNIMS, Mumbai

Bachelor of Science | Computer Science | 2016-2019 | Mumbai University

PROFESSIONAL EXPERIENCE

Information Security Operations Engineer | L A Technologies - Generali Central Insurance Company Limited

***Mumbai**, 05/2024- Present*

- Spearheaded SOC operations and CSIRT functions, including SIEM alert triage, incident classification, and threat intelligence
- Ensured timely ticket resolution across cross-functional teams and external vendors
- Managed endpoint security using CrowdStrike Falcon EDR, with integrated identity monitoring for enhanced threat detection
- Managed endpoint security: compliance, encryption, Data Classification (Klassify), patching, and vulnerability dashboards
- Oversaw NAC (ClearPass OnGuard), PAM(IRAJE), DLP (Trend Micro), WAF (App Trana-Indusface), Micro segmentation (Color Token), and proxy security (Netskope)
- Delivered VAPT assessments, tracked remediation and prioritized CVE patching for zero-day threats
- Compiled patch summaries for Windows, UNIX, SQL and Oracle environments
- Maintained cloud security posture across AWS and Azure platforms

Information Security Executive | IDBI Intech Limited - IDBI Bank

***Mumbai**, 11/2021- 05/2024*

- Monitored and analyzed security alerts using RSA Net Witness
- Raised incidents and supported real-time threat response in SOC
- Investigated anomalies, access violations, and malware threats
- Strong knowledge of networking (TCP/IP, DNS, OSI model, ports)
- Conduct daily health checks and handle daily service tickets.
- Managed daily log reports and ensured SLA compliance
- Coordinated with vendors; supported server hardening reviews and SIEM integration across critical infrastructure for full visibility and threat detection

Spatial Data Specialist | Thinkparms Infotech Pvt Ltd - HERE Technologies

***Mumbai**, 05/2021- 11/2021*

- Analyze spatial data through mapping software (GIS).
- Discover patterns and trends through spatial mapping of data.
- Designing digital maps with geographic data and other data sources.
- Converting physical maps into a digital form for computer usage.
- Produce reports on geographic data utilizing data visualization.

IT Intern | Talent Corner H.R. Services Pvt Ltd

***Mumbai**, 04/2020- 06/2020*

- Collaborate with stakeholders to understand business objectives and requirements.
- Devolve architectural blueprint and technical specifications.

TECHNICAL SKILLS

- SIEM - IBM Qradar
- Ticketing Tool- Sapphire, Pitagora
- Endpoint Security - AV, DLP, Proxy, Data Classification, NAC, Encryption
- TrendMicro Email Gateway
- Network Traffic Analysis – FortiGate, Checkpoint, Fortianalyser, Palo Alto, Net Scaler (Load Balancer)

  WAF (App Trana), Color Token (Micro segmentation)

Classification | INTERNAL

TECHNICAL CERTIFICATION

- CEH V12 Certification.
- Cisco Certified Network Administrator training (CCNA)

PERSONAL DETAILS

- Date of Birth: 26 August 1998
- Gender: Male
- Marital Status: Single
- Languages: Marathi, Hindi & English
- Nationality: Indian
- Address: Airoli, Navi Mumbai, Maharashtra 400708.
