Work Experience

Assistant Manager-Business HR, Learning & Development, Human Resources **Since Mar'22**

Magicbricks Reality Services Ltd., Noida

Key Result Areas:

Learning & Development Strategy | Training Program Leadership

- Directed end-to-end **training program management**, ensuring initiatives were delivered within defined timelines, budgets, and organizational performance goals.
- Partnered with **sales leadership and customer-facing teams through broker visits** to identify market needs and design targeted capability development programs including *Sales Ignition, Growth Mindset, and Negotiation Skills*.
- Led **onboarding and orientation programs for new hires**, ensuring structured capability development and improved employee performance outcomes.
- Designed and developed **behavior-change learning content**, including e-learning modules, facilitator guides, job aids, training collateral, and demonstration-based learning models.
- Aligned **training initiatives with business strategy and financial objectives**, ensuring measurable impact on productivity, sales effectiveness, and leadership capability.
- Collaborated with **HR leadership and senior stakeholders** to define program priorities, roll out plans, training calendars, and ROI measurement frameworks.
- Conducted **strategic assessments of organization-wide learning programs** to evaluate effectiveness, identify gaps, and implement continuous improvement initiatives.
- Managed **training performance metrics** including trainer utilization, training throughput, certification programs, budgeting, and learning analytics.
- Partnered with **process managers and business leaders** to align training objectives with operational requirements and organizational goals.
- Implemented **pilot training programs, Train-the-Trainer initiatives, and curriculum quality reviews** to ensure program scalability and consistency.
- Developed **talent development strategies** including leadership capability programs, succession planning frameworks, job rotations, and stretch assignments.
- Integrated **learning and development strategy with broader organizational transformation initiatives**, departmental expansions, and restructuring programs.
- Built **role-based learning roadmaps for executives and leadership teams**, aligned with business capability frameworks.
- Managed **external learning vendors and corporate L&D partners**, ensuring effective delivery of learning solutions across multiple business verticals.
- Led **curriculum design initiatives leveraging adult learning principles, virtual training technologies, and Learning Management Systems (LMS)**.

HRBP & Sales:

- Collaborating with cross-functional HR leaders and senior stakeholders to prioritize learning initiatives, formulating deployment strategies, and establishing performance measurement frameworks focused on ROI and business impact.
- Facilitating goal-setting discussions, overseeing performance evaluation cycles, and driving continuous feedback mechanisms for the sales workforce.
- Mitigating performance gaps by implementing structured Performance Improvement Plans (PIPs) and monitoring progress toward defined targets.
- Assessing capability gaps and recommending targeted training interventions to strengthen core sales competencies such as negotiation, relationship management, and client engagement.
- Cultivating a high-performance culture by championing positive workplace behaviors, reinforcing collaborative team dynamics.
- Developing and executing employee engagement initiatives to enhance workforce morale, productivity, and long-term retention.
- Mediating employee relations matters while adhering to HR policies, governance frameworks, and regional labor regulations.
- Administering the end-to-end employee lifecycle by managing onboarding experiences, transition processes, and exit formalities.
- Conducting structured 30, 60, and 90-day integration reviews with new hires to evaluate assimilation, engagement levels, and early performance alignment.

Major Training Programs Delivered (Magicbricks Realty Services Ltd.)
