PROFESSIONAL EXPERIENCE

Sales & Marketing Executive | JENE Chemicals

Mar 2026 – Present | Kalyan, Maharashtra

- Execute targeted field campaigns to accelerate B2B lead generation and secure high-value client acquisitions.
- Promote corporate product portfolios to industry clients, translating business requirements into technical recommendations.
- Meet monthly and quarterly sales targets consistently using structured route planning and geographic territory strategies.
- Perform comprehensive product demonstrations and presentations to stakeholders to streamline final deployment loops.
- Log operational feedback data, update internal CRM metrics daily, and write structured pipeline performance reports.
- Collaborate closely with internal marketing teams to design localized product promotions and multi-channel field campaigns.

Sales & Marketing Executive | Kottakkal Arya Vaidya Sala

Oct 2024 – Oct 2025 | Mumbai, Maharashtra

- Directed strategic B2B prospecting initiatives that expanded regional healthcare network footprints and client accounts.
- Managed robust distributor and retailer partnerships to align regional inventory flow with localized demand structures.
- Optimized the localized order-to-cash lifecycle and improved critical logistical coordination pipelines to compress fulfillment times.
- Sustained consistent merchant accounts engagement through structured post-sales follow-ups, preventing account attrition.

Sales Executive | **AVN Ayurveda** Nov 2021 – Nov 2022 | Mumbai, Maharashtra

- Drove high-performance field campaigns focused on commercial client acquisition to consistently exceed defined corporate targets.
- Delivered structured product presentations to multi-tiered client accounts, utilizing consultative cross-selling tactics.
- Represented the corporate brand at key commercial trade exhibitions, networking conventions, and regional B2B business events.
