# Experience

**29 July 2016 - 16 December 2025**
**Deputy Manager in Human Capital Management at YES Bank Ltd., Mumbai, Maharashtra**

**Employee Risk & Controls**

- Monitoring of AMLOCK alerts for staff accounts to identify suspicious activity and are being financially disciplined.
- Mitigated anti-money laundering (AML) risks by monitoring employee cash, non-cash, and staff-client fund transfer transactions.
- Reviewed and controlled unauthorized access to staff account views, ensuring reporting authority approval or employee consent as per policy.
- Examined for ECS NACH return cases due to insufficient funds and identifying patterns and reasons for non-payment.
- Monitored and identified violations of IT Acceptable Usage Policy related to external email communications using Symantec Data Loss Prevention (DLP).
- Conducting quarterly reviews for Staff flag, Vendor flag and Mnemonic Code to ensure compliance and regulatory requirements.
- Processing Credit History (CIBIL) check for employees.
- Conducted thorough Politically Exposed Person (PEP) screenings to identify and assess potential financial and reputational risks.
- Reviewed and assessed employment relationships to ensure compliance with Banks policy and conflict of interest.
- Conducted monthly reconciliation of insider trading information to ensure accuracy and completeness of employee trade data, prevent regulatory violations, and maintain compliance with fair disclosure practices.
- Conducted comprehensive investigations of Fraud Prevention & Investigation Unit (FPIU) alerts, covering employee account activity, staff actions, transaction patterns, and system log analysis to ensure timely and accurate risk resolution.
- Collaborated with cross functional teams for presenting monthly Key Risk Indicator (KRI) framework to improve risk controls.
- Collaborating with Operational Risk Management Team and reporting for Risk and Control Self- Assessment (RCSA) cases.
- Reviewed and assessed Business Continuity Planning (BCP) documentation to ensure alignment with organizational risk management strategies, regulatory requirements, and operational resilience standards.
- Recommending changes to the process control environment or to business practices, where necessary to reduce the level of fraud risk exposure.
- Training off roll resources on best practices and standardized process adherence.
- Handled audit queries by providing timely and accurate responses to internal and external auditors.
- Provide analytical MIS and reports to the management.
- Handling special projects and other duties assigned by management.

**01 October 2015 - 31 March 2016**
**HR Executive /IndusInd Bank Ltd., Mumbai, Maharashtra**

- Experience in verifying and updating employee Provident Fund (PF) withdrawal, transfer and settlement forms.
- Conducted background checks for exited employees.
- Managing queries related to exit letters and ensuring smooth offboarding.
